25 Columbus Circle is a lesson in contemporary living. With panoramic views of Central Park, its six bedrooms take over the entire 78th floor penthouse suite of the Time Warner Centre. The apartment has been completely renovated and redesigned by Tony Ingrao, who has decorated homes for the likes of Howard Stern and Kim Cattrall. Well known for his focus on refinement, utility and tranquility, the floor plan and double-height ceilings maximise the space to brilliant effect. With all the luxuries you'd expect, including his and her bathrooms, an enormous dressing room, pantry, study, coat room, library and screening room, it's a place of sanctuary high in the clouds above Manhattan.

全面翻新的25 Columbus Circle堪称现代生活表率。这所豪华公寓位于楼高78层的Time Warner Centre顶楼，坐拥中央公园全景，总数六间卧室横跨整个楼层。负责翻新工程的是曾为歌星Howard Stern和女演员Kim Cattrall布置家居的室内设计师Tony Ingrao。这位设计师一向以设计精致实用，擅长营造宁静气氛而倍受赞誉，整体布局及挑高两倍的天花板，均令整个空间得到最极致的明亮效果。配备一切符合奢华标准的设备，包括男女分开的浴室、一间特大的更衣室、食品室、书房、衣帽间、图书馆和放映室，有如一间位于曼哈顿云端的享乐圣殿。
