Beach house lives large

SPECIAL TO FLORIDA WEEKLY

This sophisticated beach house is a few hundred yards from the beach on East Inlet Drive in Palm Beach.

The four-bedroom, four-bath home, built in 2014, lives much larger than its square footage. It also has two half-baths.

It has three bedrooms en suite plus a separate entrance bedroom/bath above

the garage.

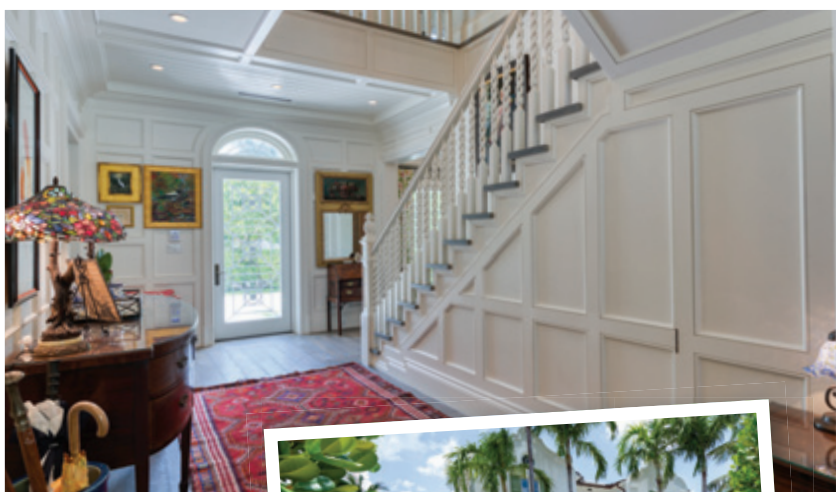

There are fine finishes throughout, including imported hardwood flooring, beautiful trims and moldings.

It's offered at \$6,100,000 by Sotheby's.
